

# YASMINA JABROUNI

Web & mobile app developer

Bloc E Hay Zaitoune., Agadir Morocco • +2126-22102048 • yasminajabrouni@gmail.com

Passionate and motivated mobile application development student. With a strong foundation in Dart and related technologies, I am dedicated to creating modern, efficient, and user-friendly mobile applications. Constantly eager to learn and improve, I strive to develop innovative solutions that enhance user experiences.

## EDUCATION

### Technician specialized in Digital Development

CMC AGADIR

Sep 2023 - June 2025

- Specialized in Mobile Application Development

### 1 Year student in Mathematical and Computer Science

Sep 2022 - June 2023

Faculty of Science, Ait Melloul, Agadir

- Studied foundational concepts in mathematics and computer science

### High School Diploma in Physical Sciences

Sep 2021 - June 2022

Al Amal High school

- Obtained with honors

## PROJECTS

### Pharmacyti | CMC AGADIR

May 2025

Developed a mobile application with Flutter and Supabase for pharmacies and clients, streamlining the process of medicine ordering and delivery. The platform includes two main interfaces: the Client side for users to search for nearby pharmacies and place orders; and the Pharmacy side (admin dashboard) for managing orders, viewing customer requests, etc.

### Jobmate | CMC AGADIR

January 2025

Developed a dynamic website with Java Spring Boot and React js offering job and internship search functionality within Morocco. The platform features two main sections: the Job Hunter side for users to search and apply for opportunities, and the Recruiter side for companies to post and manage job listings.

## TECHNICAL SKILLS

- **Web:** HTML-CSS-Javascript-React-Bootstrap-Wordpress
- **Backend:** Java-Spring Boot-Supabase-Firebase
- **Database:** Mysql-sqlite
- **Mobile app developpement:** Kotlin-Flutter-Android-React Native

## LANGUAGES:

- **Arabic:** Fluent
- **English:** B1
- **Frensh:** B1

## SOFT SKILLS

- Teamwork
- Time Management
- Creativity
